

Since 1982, we've not had a church census. Since that time we have lost so many of our parishioners; some have passed away, most families have moved, while some have been homebound, and others inactive.

Presently, we need to update our records and wish to ask our families to please take some time to look over this form. The first weekend of December (December 1st and 2nd), we will pass out in church index cards (same format) to be filled out by you. If you will be out of town, you may fill out this form and drop it in the collection basket.

Please be sure to indicate the area(s) you believe you can be useful for the upkeep of our parish family.
